that SECOM

11.

has no need of interest in the

Attached is a response to SECOM tasking regarding subject.

Because of the short deadline, SECOM has permitted responses to be in "rough" form.

Accordingly, the cover memorandum describes the information attached in Tab's A, B, and C. Additionally it should be noted that:

- Tab A, paragraph 4 and Tab B; ADD/TS has provided the planned resource handout distributed in the DDA Quarterly but questions whether D/S wants to give all of this detailed information on money and resources over to SECOM.

- Tab C - All detailed initiatives are included as Basic but only the cover piece is included for SECOM.

It is requested that D/S review the document and provide guidance on items which should be eliminated.

MEMORANDUM FOR: Chairman, SECOM

FROM:

Director of Security

25X1

SUBJECT:

Overseas Security

25X1

REFERENCE:

SECOM-D-208, dated 13 August 1985, Same Subject

1. This memorandum is in response to Chairman, SECOM's request that information be provided regarding this Agency's plans and programs "to effectively combat the compromising of sensitive material at U. S. Government installations" to be submitted to the oversight and appropriations committees. The information is attached and categorized as follows:

- ° TAB A is a reporting from the Assistant Deputy Director for Technical Security addressing the counterintelligence and operational security actions taken by this Agency, either individually or in concert with other intelligence community agencies, in the aftermath of the Gunman occurrence. Paragraph four of this paper describes the programmed efforts in specific categories of overseas security in narrative format.

- ° TAB B contains data on this Agency's current and programmed efforts to institute a new Technical Security Directorate within the Office of Security.

- ° TAB C contains a reporting from the Office of Security's representative to the Agency's Plain Text Processing Equipment (PTPE) Steering Committee which describes this Agency's Program for PTPE protection.
